## Catering Services

ChunaraFoodGroup™ Catering Services represents numerous restaurants in Georgia and Alabama. We own franchises in multiple brands **(Checkers, Popeyes, Dunkin' Brands, Church's Chicken, Blimpie Subs)** and are partnered with top-notch operators. We have experience in catering to car dealerships and corporate events ranging the entire Metro Atlanta region including Fulton, Dekalb, Cobb, Gwinnett and Forsyth Counties for several years. We can fulfill any size order, but as a family owned business, we ensure that every attention to your catering needs is met. Each of our restaurants has an individual operating partner—all small business owners who take pride in their work and appreciate your patronage. Please find below contact information for our Director of Catering Services as well as my personal contact information should you wish to discuss our services. We would like to earn the opportunity to work with you and look forward to fulfilling your catering needs with the highest degree of professionalism.

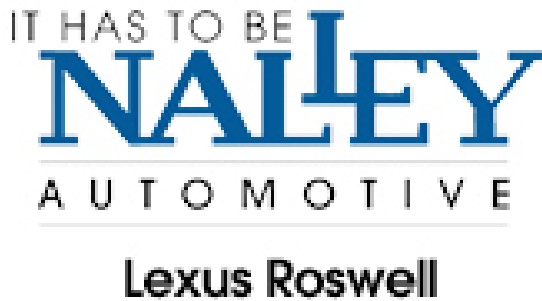

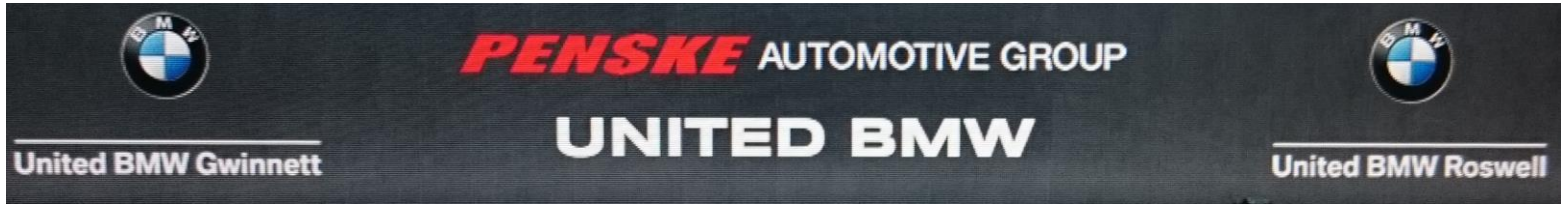

*\*ChunaraFoodGroup™ Catering Services, Inc. ("CFG") facilitates the processing of catering orders with its restaurant partners.
